

VILLAGE O F NYACK

APPLICATION FOR PEDDLING OR HAWKING LICENSE

FOOD TRUCK - 2024

Nyack Food Truck Policy:

Licenses are subject to Village Board of Trustees approval by majority vote. There is a preference for Nyack residents or business owners and trucks with quiet/low emissions generators and/or trucks with electrical power hookup capacity. Permits are only valid for Memorial Park (and marina parking lot). There is a limit of two licenses available each year, not including the ice cream truck that may circulate around the village streets as well as enter the park. If the village park electrical power supply (under construction spring 2024) is used, a separate agreement to reimburse the village for electrical usage, at cost, will be required. This permit does not cover food trucks participating in privately sponsored special events, subject to a separate Special Event Permit process. Failure to comply with permit terms will result in cancellation of the permit.

Contact information:

Name: _____ Date of Birth _____

Company name: _____

Restaurant address (if applicable): _____

Home address: _____

Home Phone: _____ Business Phone: _____

Cellular: _____ EMAIL: _____

Service Plan:

Location requested: _____
